

Rhythms of Grace

Running a toddler group can be one of the most exhausting yet rewarding activities in our week. Trying to recruit a team of volunteers whilst planning crafts and ensuring health and safety issues are dealt with, can be so challenging. This conference gives you the opportunity to spend some time relaxing and having fun with others who share the same passion for toddler groups. It is a day to listen to inspirational speakers whilst giving plenty of space to network, browse exhibitions and make new friends.

Our day is based on Isaiah 43 v 18-21 Streams in the Desert
Some snapshots from 2023 ...

'I am leaving encouraged, refreshed and inspired.' 'Going away with lots of ideas. Really helpful to hear how others deal with issues that arise.'

The conference will provide an opportunity to:-

- Be encouraged and envisioned regarding the work of parent and toddler groups
- Hear our key note speaker – Rev Rob Powell, Streatham
- Participate in workshops
- Network with colleagues
- Enjoy our exhibition

Workshops

THE LONDON NETWORK OF
PARENT & TODDLER GROUPS

You can choose 2 from the following workshops:

1) Starting a toddler group

Interested in starting a toddler group in your church/community?
Come and explore the practical steps needed and ways to overcome barriers

2) How green is your group?

Come and hear the inspirational story of how the offer of an allotment brought a new dimension to a toddler group. Hear practical ideas of how to encourage sowing seeds in your group.

3) Craft workshop (repeated)

Practical session

4) Including a faith element in your group

How do you include Bible stories, Christian songs and other faith elements in our multi-cultural communities?

5) Interactive Prayer Meditation

Feel like you're in a desert? Looking for fresh water?

Each of these workshops is a forum to bring and share ideas. Please feel free to bring any resources you use or have found helpful. We are aware there is a wealth of experience and knowledge in our toddler groups across London and we would love to enable people to share this.
