London Prayer Marathon 2025

June is the National Month of Prayer for Toddler groups* and for the past few years, one London borough has been prayed for each day in the London Prayer Marathon. In several boroughs a group of toddler group leaders have met together to share the joys and challenges of their groups and pray for and with one another. This is now annual event and our aim is to get as many toddler groups involved as possible.

How can you get involved?

1) Use the suggested prayer points and pray for a borough each day. The theme of this year’s month of prayer is based on **‘See I am doing a new thing’ Isaiah 43 v 18-21**

2) Share the details of your group on the map of toddler groups across London—look for the link at the bottom of our website

3) Think about your local area— is there something new that needs to happen in our group? Where are the dry areas?

4) Raise the profile of your group in your church . You may have been doing things differently during the last year but why not ask for a slot in your churches service/or social media channel/magazine during June to profile what you do— one church took over the whole service and used a PowerPoint presentation and video, prayers and the sermon.

5) Connect with other toddler groups in your borough over Zoom or meet up at one of your venues at lunchtime—bring your own lunch and the venue provides the hot drinks

Suggested prayer points:

- Pray for godly wisdom as we run our groups
- Pray for families to find their local group, especially families who may be struggling
- Pray for groups to really work hard at giving a warm welcome; it can be so hard to walk through the door for the first time!
- Pray for more volunteers to help in the groups
- Pray for groups in church premises, that the church community, and particularly the church leaders, will see the huge potential for positive relationships with the families who come
- Pray for toddler groups to continue to support and encourage in very practical, 'down to earth' ways all those who are involved in them: parents, children, volunteers, local communities...
